DAY 3 CHAPTER 2 – THE PROSPERITY LAW OF MENTAL ACCEPTANCE

1. Anything that you can mentally accept, you can have.
2. Those who cannot mentally accept greater abundance, never experience it.
3. Lasting success is a progressive process.
4. Your good never rejects you. Instead, you subconsciously reject it!
5. God can only do for you what He can do through your mental attitudes.
6. Practice letting go and letting God.

DAY 4 CHAPTER 3 – THE PROSPERITY LAW OF ATTRACTION

1. The word, “attract” means “to draw.” You are a magnetic field of mental influence. That which you constantly think, you automatically pull, draw and attract to you.

2. Hate is one of the strongest forms of attraction.

How Can We Attract Happy Results?

1. Begin picturing the good you want.
2. Practice quietly expecting it.
3. Picture the best, not only for yourself, but also for others.
4. Work out your own master plan for success and quietly dwell upon it.
5. Do not spend your time merely hoping and wishing that everything will work out fine in your life.

3. An inner realization of the abundance you desire always precedes its outer manifestation in our life, since the word realization means completion.
4. Joshua realized that anything can be disposed of mentally, and that anything can be created mentally, that the outer world of circumstances shapes itself to the inner world of thought.
5. Lift up your thinking.
6. Go forth under divine direction to claim that which is yours by divine right.

DISCUSS THE STEPS IN JOSHUA'S SUCCESS PLAN

1. Arise, do something.
2. Use your “No” and “Yes” Mind Power.

WHAT SHOULD YOU DO WHEN FACING HARD CONDITIONS:

1. Keep very quiet about the problem, so that you do not dissipate your power in a negative way.
2. Declare words of Truth with Feeling.
3. It has been estimated that the spoken word can speed up results as much as 80 percent.
4. Remember, every word brings forth according to its kind. You can build up or you can tear down with your spoken words.

DAY 7 CHAPTER 6 – WHEN YOUR PROSPERITY IS WITHHELD

1. When your good is withheld in the form of increased health, prosperity or happiness, YOU – not someone else – are withholding it!
2. Per Emerson, “It is impossible for a man to be cheated by anyone but himself.”
3. Just as the spoils of war in ancient times were considered a tithe, which belonged wholly to Jehovah’s treasury, so the tithe is not man’s to withhold today.
4. People with problems are people who are out of balance with the universe. They need to give in order to restore balance and order in their minds, bodies, financial affairs and human relationships.

4. The word "Bethhoron" means "a thought center deep in consciousness, in which the higher thoughts of justice and truth may descend in order to cleanse erroneous thoughts and emotions."
5. When you are not getting the results you feel you should have, it may be that you are wasting your time and substance on people, situations or experiences that are unimportant and unnecessary in your life.
6. The negative vibrations of hurry instantly cut your connections with universal good. The peaceful, unhurried state of mind attracts its vast benefits.
7. The quiet time of prayer, inspirational study, speaking positive words of good, and meditation become the most precious periods in our day, and the most productive of good.

DAY 10 CHAPTER 9 – THE PROSPERITY LAW OF CHANGE AND THE CONCLUSION

1. "Joshua left nothing undone of all that the Lord commanded Moses...Joshua took the whole land according to all that the Lord said unto Moses; and Joshua gave it for an inheritance to Israel..." (Joshua 11:15, 23)

12. The Hebrews evolved in their understanding of substance as the key to all wealth, and how to claim it individually and collectively.

For then thou shalt make thy way prosperous, and then thou shalt have good success. (Joshua 1:7, 8)
